## FOCUS 2024

*We are continuing our FOCUS 2024 campaign of this all important election cycle. To strengthen our focus we have invited California State Senator (ret.), Jim Brulte to speak.*

*Jim Brulte is the only freshman in California history to be elected leader of his party in both the State Senate and the State Assembly. He served in the state legislature from 1990-2004 representing the Inland Empire counties of Riverside and San Bernardino.*

*Brulte has served in three presidential administrations and was appointed by two California governors to state boards. After he left the legislature, Capitol Weekly wrote that "over the last 15 years, there has been no more enduring force in California Republican politics than Jim Brulte."*

## Come join us!

Meet with your friends and experience what the Lincoln Club is planning for the coming year. Invite friends and family who might benefit from what our organization offers.
