January 2021

Dear Lincoln Club Member,

As you know, the members of the Lincoln Club of Morongo Basin share a vision of advancing free market principles, conservative thinking, and ideas by recruiting, endorsing, and providing financial support for business-friendly candidates and ballot measures that reflect our commitment to sound public policy, the expansion of economic opportunity, and an enhanced quality of life in the Morongo Basin.

The Lincoln Club of Morongo Basin continues to take a proactive role in supporting important revenue measures and responsible candidates for local public office. Our efforts are made possible through the membership of concerned residents who share our values.

I would like to invite you to renew your membership in the Lincoln Club of Morongo Basin for the upcoming 2021 year.

As a member for the upcoming year you can expect to receive Lincoln Club updates on matters of concern to our region, also found on our Facebook page (Lincoln Club of Morongo Basin). You will be invited to our periodic "fireside chats" featuring speakers and topics of current interest and importance to the development of public policy. Members are invited to sit in and participate at the board's monthly lunch meetings and general membership meetings. Most importantly, you will be part of a local effort to preserve traditional values, responsible government, and the rule of law. We strive to keep our members informed and up to date on issues affecting our region.

The year 2020 has proven to be a challenging time for many, which has emphasized the necessity of staying connected with one another and forming a strong sense of community. I respect that you are busy, but I want to remind you that in the Lincoln Club, you can be as active as you choose to be.

Lincoln Club dues are payable at the beginning of each calendar year. Please update your information on the enclosed member application/renewal form and mail it with your dues payment to: Lincoln Club of Morongo Basin, POB 251, Yucca Valley, CA 92286.

I look forward to seeing your Lincoln Club renewal and working together again this year.

Sincerely,

Art Miller Jr, President
Lincoln Club of Morongo Basin
